KATHERINE WORKS HARD ALL YEAR ROUND, NOT JUST AT ELECTION TIME

"Katherine's not only passionate about caring for the world we live in, but responds with energy and focus by taking considered action to improve conditions for our local community... Katherine is inspirational to work with, her energy is infectious and I believe she would make a significant difference locally if elected as a councillor for Portswood."

Rev. Erica Roberts, City Chaplain for older people, Highfield Church

"Katherine... [has been] particularly helpful to me during the lockdowns. Last year she visited me at home every day and as I am disabled, I was relieved to get assistance with shopping, posting letters, putting out the rubbish and just chatting when I felt quite isolated. Thank you Katherine."

Gillian Gain, Highfield
